User Agreement

About this document

This document is an example IT support agreement between a small business and an IT support company.

Usage

This sample agreement has been produced by The IT Donut (www.itdonut.co.uk) and Abussi Ltd (www.abussi.co.uk) to help businesses when choosing an IT support company. It is for illustration purpose only.

For more information about choosing and working with an IT support company, please visit the IT Donut at www.itdonut.co.uk.

This document may not be republished without permission from The IT Donut.

Response and Resolution Times

All support incidents begin in Tier 1, where the initial trouble ticket is created, the issue is identified and clearly documented, and basic hardware/software troubleshooting is initiated.

- Support request is received
- Trouble ticket is created
- Issue is identified and documented in help desk
- Issue is qualified to determine if it can be resolved through Tier 1 Support

Service Request Escalation Procedure

All support incidents begin in Tier 1, where the initial trouble ticket is created, the issue is identified and clearly documented, and basic hardware/software troubleshooting is initiated.

1. Support request is received
2. Trouble ticket is created
3. Issue is identified and documented in help desk
4. Issue is qualified to determine if it can be resolved through Tier 1 Support
